Dear families,

If you were able to come to our Parent Information Night on Wednesday, THANK YOU! If you were unable to attend, I am happy to share handouts and other information discussed. There will also be upcoming and ongoing opportunities to share your voice with our school community.

Next Thursday, January 18th at KHS there will be a community presentation at 6pm: SAU9 The State of the Schools: Realizing the Full Potential Through Competency Based Education. The evening will have a presentation by Superintendent Kevin Richard, followed by small group discussions about how the MWV defines student growth and achievement.

Also, coming up at JFS, you are invited to take part in a Focus Group on Friday 2/2/18 at

9:15am. This focus group will be an opportunity to share your ideas, concerns, and questions that you have moving forward with flexibly grouping students and possible multiage configurations. If you have ideas, concerns, or questions prior to the focus group on Friday 2/2, please call 356-5381 or email me at d_nutting@sau9.org.

Sincerely,

Mrs. Danielle Nutting

During the week of January 2-5, 2018, students reviewed ski and snow boarding expectations. Therefore, we wanted to share the acronym for expectations with families. C.L.O.V.E.R.S.
